And also publish tutorials on how to handle some digital design programs such as Photoshop. These samples will help all those who want to learn how to draw, those who are cartoonists and/or professionals, because it helps a lot thanks to their simplicity in each copy, making drawing very easy to learn. This gorgeous collection will grow as you find time to download more editions of it (I appreciate the contribution you want to make haha). Remember that there is a password to open files and read logs you need a PDF file reader like Acrobat Reader or similar. THIS LIST WILL GROW AS YOU HAVE TIME TO KEEP DOWNLOADING ALL THE FILES, COME BACK SOON! It's not uncommon for downloads to have problems, but usually it's because of human errors easy to fix Here are some of the common questions for those trying to download and there are problems if it is not solved with these ideas, leave your comment in the comments. -Don't get to the download page? -Disable the ad blocker of your antivirus or your browser (or both). -Can't find your password? -Read again, this is what the red word is highlighted in yellow and with giant letters just above the link to the download. If you read the text before you jump to do the download you would notice... Lol... Well, if you still can't find it, it's always the same: Neoverso-com. -Doesn't the password work? -Write it by hand rather than cusar copy and paste. -Try to download again. If the download is OK, you probably need a program like Winzip or WinRar to unpack it. Or you may need a PDF reader or comic book reader like CBR or CDISPLAY to read it. Thanks for reporting dropped links. Share with others who can take advantage of this as well. And remember that commenting on this is a thank you. Let's read each other! Saltaalavista Blog 2:14:00 Today we offer you from Saltaalavista Blog the opportunity to download, completely free, a collection of drawing magazines for drawing cartoonists. The collection, created out of anxiety and love for the drawing of Juan Antonio Flores Valdovinos, is published monthly for 4 years (2,001 - 2,005) and consists of 51 copies. More pages through which you can learn to draw, whether you are a beginner in the field or an expert cartoonist seeking to continue to discover and learn in turn new tips, techniques or styles, in a pleasant and interesting way. Below we will leave you with a full list of the numbers that make up the collection, as well as with a corresponding descriptive title based on the main theme of each one.
